

DIAKON

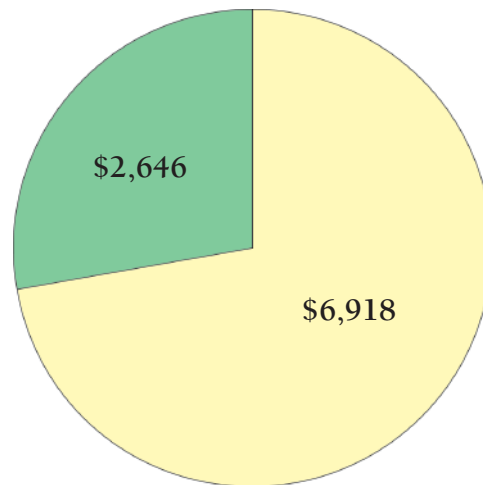

Diakon Lutheran Social Ministries and its senior living communities and family and community programs depend on the generous contributions of individuals, corporations, congregations, and synods to provide care and services to those with limited financial resources. The following charts provide an overview of the level of benevolent care provided by Frey Village, a Diakon Lutheran Senior Living Community in Middletown, Pa., during 2010, as well as contributions to the senior living community and their uses.

**2010 Benevolent Care at Frey Village:
\$997,394**

- Costs in Excess of Medical Assistance Reimbursement
- Care for Those Who Have Exhausted Financial Resources

2010 Contribution Use at Frey: \$9,564

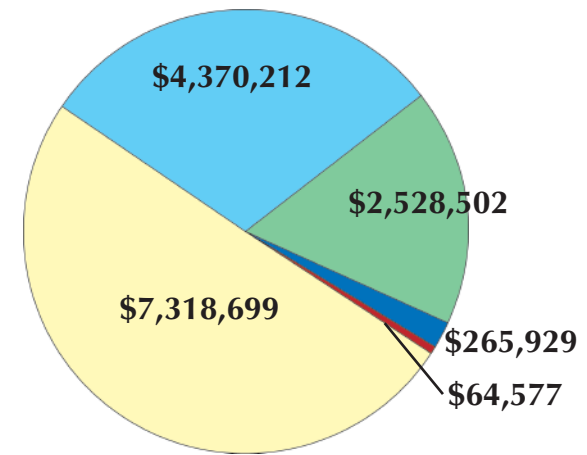

- Restricted for Activities
- Restricted for Capital Purchases

Capital Improvements: In 2010, Diakon Lutheran Social Ministries spent \$11.549 million on capital improvements and expansion at its senior living communities. Of that total, \$423,283 was expended at Frey Village.

Diakon Overall

In 2010, Diakon Lutheran Social Ministries provided \$14,547,919 in benevolent care, an integral part of our ministry.

- Costs in Excess of Medical Assistance Reimbursement
- Support to Diakon Family & Community Ministries
- Care for Those Who Have Exhausted Financial Resources
- Donation of Properties
- Youth Scholarships

Key: Benevolent care assists those in senior or assisted living who cannot pay the full cost of care. Costs in excess of Medical Assistance reimbursement are Diakon's costs to provide nursing care above M.A. reimbursement levels.

Many Hands. One Heart.
