Expansion Edition

May 12, 2011

Construction Snapshots

Wood, board and steel are coming together to form the structure of the guest house sales office.

Dear Colleagues,

The renovation of the Guest House to create the Sales Center is under way! We are hoping that the Sales Center will be completed by the second week in June. When the Sales Center is complete, we will have an open house for staff. Please stay tuned for future issues of the *Frey Village Voice Expansion Edition* for the date and time of the open house.

We are pleased to announce that the new apartments will be named Union Square at Frey Village. There will be four styles of apartments offered. A one bedroom/bath, a one bedroom/one-and-a-half bath, a one bedroom/one-and-a-half bath with den, and a two bedroom/two bath apartment. The design team continues to finalize plans for the common areas including wellness and dining options.

We are also pleased that Michael Nagy is on board and will be coordinating marketing and sales of the Union Square apartments along with Julie Craft. Of course Julie will be off until August after she welcomed the birth of her son, Max, on May 10th. In addition, Katie Robbins will be starting May 17th as the nursing and personal care admissions coordinator. Marketing events are underway and will be occurring throughout the summer as we target meeting the 80% presale goal to be able to move forward with building the Union Square apartments.

I encourage you to please see me if you have any questions regarding the status of the expansion at Frey Village.

Thanks for your continued support,

Amy
