

Fall Newsletter 2011

Fall Programs

This fall was an unusually busy season with 3 programs being offered at:

- Central Elementary in South Williamsport
 - McCall Middle school for Girls on Track
 - Campbell Street Community Center in Williamsport
- A total of 29 girls participated along with 10 coaches.

Pictured below are girls from the Central Elementary School's 5k run. Picture courtesy of the Williamsport Sun-Gazette.

Community Service Projects

Many of us were touched by the communities in Lycoming county affected by the recent flooding. The participants at South Williamsport wanted to make a difference for students in other districts. Their community service project was to host a school-wide assembly to show flood damage in other areas and have students sign a banner of well wishes. This in addition to cards were given to Loyalsock Valley Elementary school to show their support and encouragement.

Featured above are Girls on Track participants at McCall Middle School making centerpieces for Valley View Nursing Home's Thanksgiving dinner.

Seeking Advisory Council Members and Volunteers to Set up 5k Run

Members meet once monthly and focus on community awareness, recruitment of coaches, and fundraising. GOTR is planning a 5k Run on May 19, 2012 at the South Williamsport Park and we are looking for those to assist on a Race Committee as well as Running Buddies. Please contact Michelle McElwee at 570-322-7873 or at mcelweem@diakon.org.
