2011

Community Service Projects and Fundraising events

Girls at St. John Neuman Regional Academy held a car wash on 6/14/11, raising \$150 for the Lycoming county SPCA.

Participants at Lyter Elementary School helped with their school's spring fair, donating time to set up, tear down, and supervise activities.

The Hoss's Fundraiser made \$55.

Thanks to everyone for demonstrating the value of giving back to your community.
