COMMENTS:

ADMISSION POLICY

This facility is a non-profit retirement community for the aging, managed by Diakon Lutheran Social Ministries.

Mission Statement

In response to God's love in Jesus Christ, Diakon Lutheran Social Ministries will demonstrate God's command to love the neighbor through acts of service.

Our Philosophy of Care

We believe that older persons desire to live in their home communities as long as this is practicable. Our service program to the aging is designed to help maintain older persons in their own homes, but when this is no longer possible or desirable, we then consider the use of our facility to respond to the needs of the aging. We are interested in the whole person, in providing the highest quality of resident care in the nursing facility, and in responding to the individual needs of the resident.

Who Is Eligible?

Men and women who are 55 years of age or over at the time the application is filed. In cases of special need, admission may be made at a lower age.

Application Review Process:

Upon receipt of this application, the application will be reviewed by the Admissions Committee to determine appropriateness of need. If an appropriate vacancy occurs you will be contacted. Factors that may include, but are not limited to determining service are urgency of need, health, present living arrangements, family ability to care, adaptability to group living. A facility representative is available to serve applicants during the interim.

Policy Statement of Non-Discrimination in Admission and Services

It is the policy of Diakon Lutheran Social Ministries to operate each of its facilities and programs, and provide services without regard to race, religion, color, national origin, ancestry, age, sex, handicap, or disability.

No person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in the provision of any care or service because of race, religion, color, national origin, ancestry, age, sex, handicap, or disability. There shall be no segregation of facilities or services in the provision of service for reasons or race, religion, color, national origin, ancestry, age, sex, handicap or disability (except that required for related care).

This non-discrimination policy applies to applicants, patients, clients, physicians, service personnel, and other independent contractors.

Persons and organizations having occasion to refer individuals for admission or service, or to recommend any facility, program or service of Diakon Lutheran Social Ministries, are advised to do so without regard to the individual's race, religion, color, national origin, ancestry, age, sex, handicap, or disability.

I certify that I have read the admission policy of The Lutheran Home at Topton or have had it explained to me, and apply for admission with the understanding that these conditions will apply as a resident in the village.
