**Unless otherwise noted.*

Diakon Adoption & Foster Care's information sessions provide the opportunity for families to receive an overview of such topics as ...

- ◆ What Diakon offers to families.
- ◆ Information about the children and families involved in the foster-care system.
- ◆ The responsibilities and steps related to becoming a foster or adoptive parent

The information session can help you make a decision whether you are comfortable taking the next steps to become a licensed Diakon foster family. Sessions are offered without obligation; participants are not required to proceed following the presentation.
