○ Draw a map of your home. Show all doors and windows.
○ Visit each room. Find two ways out.
○ All windows and doors should open easily. You should be able to use them to get outside.
○ Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
○ Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
○ Make sure your house or building number can be seen from the street.
○ Talk about your plan with everyone in your home.
○ Learn the emergency phone number for your fire department.
○ Practice your home fire escape drill!

○ Make your own home fire escape plan on the back of this paper.
Memorize your fire department's emergency phone number and write it here: ____________________________

Use the space below to create your home fire escape plan.

- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all of the smoke alarms with 🛡️. Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family meeting place outside where everyone can meet.
- Remember, practice your plan at least twice a year!

Check out www.sparky.org for fire safety games and activities.

Sparky® is a trademark of NFPA.

Grown-ups: Children don’t always awake when the smoke alarm sounds. Know what your child will do before a fire occurs. Get more information on smoke alarms and escape planning at www.nfpa.org/factsheets.
