

Our partner in ministry to the world....

Lutherwood is celebrating its 20th anniversary!

The high-rise retirement facility overlooking Lake Scranton was recently rededicated at a celebration involving Bishop David R. Strobel. The facility was begun by Lutheran

Welfare Service of Northeastern Pennsylvania, whose service today is continued by Diakon Lutheran Social Ministries. Located on a wooded site, Lutherwood offers spacious

one-bedroom apartments, combining a range of amenities and peaceful surroundings. Residents can view Lake Scranton from an upstairs lounge, relax on the Terrace levels, or enjoy picnic areas complete with charcoal grills, picnic tables, and shuffleboard and horseshoe courts. The facility also features a large community room, library, lounges on every floor, a complete kitchen, and laundry room.

Lutherwood offers equal housing opportunities for retirees ages 62 and older, as well as physically challenged adults over the age of 18. As a federal Housing and Urban Development Section 8 rental-subsidy community, Lutherwood is able to offer income-qualified persons rental fees that are approximately 30 percent of their total monthly income.

For more information on Lutherwood, you are invited to call the facility at One Lake Scranton Road in Scranton at (570) 346-3009. You may also view more information about Lutherwood on the Web site, www.diakon.org.
