

## Diakon Volunteer Home Care

Serving Schuylkill & Northern Dauphin Counties

**Diakon Volunteer Home Care** provides non-medical assistance to seniors living and remaining independent in their homes. Help ranges from companionship, grocery shopping, light household and outdoor chores, minor repairs, meal preparation, and transportation to medical appointments. Diakon Volunteer Home Care is about caring for and supporting seniors in need. Our challenge is to spread the

word about Diakon Volunteer Home Care... because in our communities, volunteers are willing to extend a helping hand when they learn of others' needs.

In the words of Diakon VHC clients and volunteers:

*"I don't know what I would have done if Volunteer Home Care wasn't available. They not only provide rides, they give me peace of mind."*

P. W., CLIENT

*"Your volunteer service has been a blessed reassurance to me."*

FAYE L., CLIENT

*"It's a one of a kind job with rewards."* JOYCE M., VOLUNTEER

*"It's a great way to show Christian love."* DOROTHY W., VOLUNTEER

**People can be helped to remain independent as a result of your support of Diakon Volunteer Home Care.** If you are interested in becoming a volunteer or if you or someone you know can use our services, please call our program manager, Lois Sterling, at **(570) 624-3014** or **800.621.6325**.
