

DIAKON

Many Hands. One Heart.

At some point, every individual, couple, family, congregation, or organization experiences difficulty, faces a time of change, or just seeks the opportunity to grow. Whether dealing with the loss of a loved one, improving family communication, or promoting health and wellness in the workplace, the support of a reliable, caring professional agency can help to resolve difficult situations.

Diakon Family Life Services–Upper Susquehanna can provide that support. With compassionate, professional counselors throughout our service area, Diakon Family Life Services provides a broad range of counseling services, custom-designed programs, pastoral care services, professional consultation services, employee assistance programs, and a variety of school-based programs within Lycoming and Clinton counties. In addition to licensed sites in Williamsport and Lewisburg, counseling services are available at St. Matthew Lutheran Church in Newberry.

Our services are available to everyone. In addition to accepting many third-party payment sources, Diakon Family Life Services is equipped to accept Medicare and Medicaid reimbursement. For those without insurance coverage, we offer services based on a sliding scale, reflecting household income and number of household dependents. Fees for other services are calculated on an individual basis. Diakon Family Life Services is part of a faith-based organization that has been serving people in need since 1868, relying on the generosity of charitable funds to help provide care.

For more information regarding our services, please contact our Williamsport office at 1-866-224-5760 or (570) 322-7873.

Each year, Diakon Lutheran Social Ministries provides millions of dollars in uncompensated care to people of all ages. You can help to assure these ministries. For information on how you can support services such as Diakon Family Life Services, please call 1-877-DIAKON-7, option 2, ext. 21219.

On your behalf, Diakon Lutheran Social Ministries annually touches the lives of more than 70,000 people in Pennsylvania, Maryland, and Delaware.
