## Hot Soup for a Cold Day

Residents and Staff of The Village at Robinwood and Ravenwood Lutheran Village have discovered the perfect solution for a cold day—a Soup Challenge. Several times each Fall and Winter, our folks will put their best soup forward during the Soup Challenge. During our last challenge, we sampled nine different soups ranging from Maryland Crab Soup to Potato Soup to Chili. After the soup we all sampled desserts including; toffee cookies, pies, cake, and Jell-O fruit salad. Sue Zimmerer provided Sour Dough, Italian, and Pumpernickel bread, as well as, various drinks. Sixteen folks took part in the festivities by sampling the array of soups and deserts. Janice Porter said, “This is so much fun! You should be here too!”

## Ravenwood Cottage Open house

Has it been a while since you have seen the inside of our cottages? You do not want to miss this opportunity to learn about NEW options for the Ravenwood cottages. I can't reveal all of the details now, but you will be glad that you came. You can view presentations about the new options, enjoy lunch, and talk to moving professionals who are able to help you with all the details of selling your home and making the move to Ravenwood. Realtors will be on hand to discuss the market and may be able to estimate a realistic selling price for your home. A Staging specialist will help you with tips to making your home more appealing to buyers, resulting in shorter time on the market and a higher selling price.

A light lunch will be served from the cottage kitchen, so we ask that you call 240-420-4133 to let us know that you are coming. We will also have fun stuff like the Nintendo Wii and [m] Power brain fitness. Current cottage residents will be around to explain the Ravenwood lifestyle to you.
