## REACHES OUT TO BRENDA AND JIM

*With many hands and one heart*

When Jim and Brenda opened their doors to Diakon Adoption & Foster Care, they also opened their hearts to Quincy, Rasheena, Tasheena and Tajay. After serving as foster parents, they decided to make a lifelong commitment and become permanent parents. For these four lucky children, the transition was a dream come true. Although their new life's just beginning, they've already shared so many joys including siblings, stability and a sense of belonging.

This is just one of **MANY** heart-warming stories. To date, Diakon Adoption & Foster Care's **HANDS**-on help has united more than 4,000 children with forever families. Hanging out as a family may seem like **ONE** little thing. But for Diakon, reaching out to some 70,000 people every year in Pennsylvania, Maryland and Delaware isn't something we take lightly. It's something we all take to **HEART**.
