# REACHES OUT TO DOROTHY

*With many hands and one heart*

People love Dorothy – and with good reason. Full of life and full of charm, Dorothy’s still independent at heart. Now a widow, this former teacher has many vital lessons to share. Along with a zest for life and family and friends, she’s living proof that Diakon Assisted Living Services brings a helping hand when and where it’s needed.

Dorothy’s just one of **MANY** inspiring stories. Because thanks to Diakon Assisted Living Services, thousands are still celebrating their independence. Balancing personal freedom with **HANDS**-on help – complete with health care supervision, medication management and attentive service – ensures worry-free living. A pat on the back may seem like **ONE** little thing. But for Diakon, reaching out to some 70,000 people every year in Pennsylvania, Maryland and Delaware isn’t something we take lightly. It’s something we all take to **HEART**.
