## REACHES OUT TO MADELINE & VICTORIA

*With many hands and one heart*

Dealing with the death of a loved one is never easy. Listen to Madeline and Victoria, and you know that losing two uncles, two grandmothers, a grandpa and their bulldog Sam was devastating for these two young sisters – and their parents. But, thanks to the integrated services of a children’s bereavement program offered by Diakon Hospice Saint John, the girls now share many memories and feelings, from their hearts. Madeline and Victoria are just two of **MANY** hope-filled stories. Because thanks to bereavement programs that include individual counseling, family sessions and overnight children’s camps, Diakon provides **HANDS-**on support that helps people of all ages heal through remembering. Two sisters enjoying a shared moment may seem like **ONE** little thing. But for Diakon, reaching out to some 70,000 people every year in Pennsylvania, Maryland and Delaware isn’t something we take lightly. It’s something we all take to **HEART**.
