Dear Volunteer,

Thank you for enrolling in the Retired & Senior Volunteer Program! You will be joining local volunteers who contribute their time and energy to those in need of support. You'll find our volunteers assisting in non-profit locations and government agencies throughout Columbia and Montour Counties. The work of our volunteers enable these organizations to provide support to our broader community.

We work with senior centers and center kitchens, local food banks, the PA MEDI Program, and other activities supporting older adults. Some volunteers help pack meals, do grocery shopping, or counsel seniors on Medicare.

Whether you are looking to volunteer every week or just once in a while, we have a place for you. In return, we ask that you track your time and the number of people you impact while volunteering.

We look forward to working with you. Please feel free to contact RSVP with any questions. Our office hours are from 8:30 am to 4:30 pm, Monday through Friday. We are located at the Columbia/Montour Area Agency on Aging, and can be reached by phone or email.

Sincerely,

Penny Davis
